## **DETAILED ACTION**

### ***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: ✓

Claims 1, 16, and 22 recite a multiple-band antenna device comprising a first patch structure associated primary with a first frequency band, a second patch structure electrically coupled to the first patch structure and associated primary with a second frequency band, a first slot structure disposed between a first portion of the first patch structure and the second patch structure and associated primary with the first frequency band, and a second slot structure disposed between a second portion of the first patch structure and the second patch structure and associated primary with the first frequency band.

None of the prior arts shows or suggests this multiple-band antenna device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tan Ho whose telephone number is (571) 272-1822. The examiner can normally be reached on M-F (8:00AM - 5:00PM).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Don Wong can be reached on (571) 272-1834. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
